

MEMORANDUM

To: All THAT Customers
From: Craig Carpenter, Vice President
Re: PFAS Statement
Date: February 6, 2026

We hereby confirm that THAT Corporation, a designer and manufacturer of integrated circuits, does not use Per- and Polyfluoroalkyl Substances (PFAS) in any of our products.

After conducting a thorough review of material declarations from our suppliers, we have verified that no PFAS is present in the assembly or packaging of our silicon integrated circuits. THAT Corporation maintains a strong commitment to environmental stewardship, supply chain transparency, and compliance with applicable regulations.

THAT Corporation

Signed: 

Craig Carpenter

Vice President of IC Manufacturing
